Subject: Draft - Briefing on USVI Environmental and Public Health Issues
Attachments: USVI Meeting with Governor Albert Bryan - Briefing Document.docx

Hola Pete! As discussed this morning, please see attached draft briefing document on USVI Environmental and Public Health Issues. This document includes general background information on the USVI and a description of the priority environmental and public health issues in the Territory, including:

- Background on Governor Albert Bryan
- Background on Fiscal Challenges and Insolvency
- Solid Waste Management
- Limetree Bay Terminals and Refining (Formerly HOVENSA)
- USVI Waste Water Infrastructure and EPA CWA Construction Grants
- USVI Disaster Response and Recovery Efforts

I look forward to your input in the briefing document. I will be contacting you shortly to assure you receive a copy of the document.

Gracias and have an excellent weekend,
Carmen
